

Zimmer Biomet Patient Access Solutions

Gel-One® Cross linked Hyaluronate
VISCO-3™ Sodium Hyaluronate
AmnioRepair® Allograft

Zimmer Biomet Patient Access Solutions

Zimmer Biomet has collaborated with Asembia's Specialty Pharmacy Network (ASPN) to bring you the Zimmer Biomet Patient Access Solutions. This unique program reduces the valuable time your office staff spends getting patients access to Gel-One® Cross-linked Hyaluronate, VISCO-3™ Sodium Hyaluronate and AmnioRepair® Allograft.

How to Get Started

To get started go to zbpatientaccesssolutions.com.

Online Portal

- 1 Register as a "New User"
- 2 Enter your practice information and set up your username and password
- 3 Register the prescriber and office contact in the portal
- 4 Enter patient demographics and prescription information

Fax

- 1 Click on the FAX icon to download the enrollment form
- 2 Fill out the enrollment form
- 3 Fax the enrollment form into the ZB Patient Access Solutions team at (855) 200-2761

Once you enroll in the ZB Patient Access Solutions provider portal, you can view real-time status updates for your patients whether you submit a prescription online or fax.
