N/A

Certifications

I/we hereby certify that:

- The donation will not be anonymous.
- The funds will not be routed to a third party banking institution located outside of the country where the recipient is based or doing business.
- Employees, officers, and/or directors of the company do not have family or other ties to government officials.
- A government official has not designated the grant amount or will be a recipient of the funding either directly or indirectly.
- This grant is not being made with the understanding that this payment could influence government action or improperly lead an official to look more favourably on the donor.
- The recipient will not provide gifts, travel, lodging, meals or entertainment to health care professionals or government officials in connection with charitable activities.
- This grant will not be used in part or in whole to hire third parties who have connections to government officials or who have been identified or suggested by government officials.
- The funds awarded in this letter will not be used in violation of applicable laws or any other laws with relevance for Zimmer Biomet, including anti-corruption laws such as the US Foreign Corrupt Practices Act and the US Anti-Kickback Statute.
- The funds awarded will not be used in violation of the Advamed Code or any other applicable industry code of ethics on interactions with healthcare professionals and applicable medical education accreditation guidelines.
- The award will be returned at any time upon request for your organization's failure to adhere to applicable laws, Zimmer Biomet's policy or procedural requirements, or your organization's stated use for such funds.
- No healthcare professional in a position to influence your organization has a consulting agreement with Zimmer Biomet.
- The requested donation meets your internal guidelines for such funds.
